Varieties:

This branch of the Usseglio clan has five hectares of red grapes in Lirac. The 2022 Lirac is a blend of 60% Grenache, 20% Mourvèdre, 10% Syrah and 10% Cinsault, all aged in wood, with approximately 20% whole clusters. Tasted prior to bottling, it offers striking scents of black cherries and raspberries. In the mouth, it's full-bodied and creamy-supple in feel, with a long, silky-textured finish and just a touch of warmth.
