:

A blend of 60% Rolle (Vermentino) and 40% Clairette Blanche, the 2022 Vin de France L'Unique Blanc comes from a sandy six-hectare site in Caderousse, where the family is also planting Grenache Blanc and Picpoul. Partially barrel fermented (the bulk is done in stainless steel), it's a medium-bodied effort with pronounced notes of melon and white peaches. It's crisp and linear in feel on the palate, with a gentle citrus pith nuance on the finish.
