The 2022 Vin de France L'Unique Sciacarello (300 cases bottled, following a short time in concrete tank) is a fresh, medium-bodied red, loaded with strawberries, raspberries, and slightly herbal notes. Silky and elegant, it finishes with fine, dusty tannins. It's a fun summertime red that shows a bit more structure than you might expect. Thierry Usseglio's maternal grandmother was Corsican and the family vacationed there, eventually bringing cuttings of the native Sciacarello to the Southern Rhône, where it seems well adapted to the climate.
