Usseglio's more conventional red Vin de France is the 2022 Vin de France L'Unique, a foudre-aged blend of Grenache, Syrah, Mourvèdre, Cinsault, Merlot, Marselan and Clairette Blanche. Sourced from several plots (Côtes du Rhône, Lirac, Caderousse), it marries cherries and dusty earth with darker notes and a touch of licorice. Medium to full-bodied, it's framed by dusty tannins, which give it enough heft to pair well with grilled meats.
